

2022 International Conference on Mechanical, Aerospace and Electronic Systems

November 25-27, 2022
Johannesburg, South Africa

MAES 2022

2022 International Conference on Mechanical, Aerospace and Electronic Systems (MAES 2022) will take place on **November 25-27, 2022** in **Johannesburg, South Africa**. It is co-sponsored by **University of Johannesburg (South Africa)** and **University of South Africa (South Africa)**.

In addition to providing a major forum for people to present their frontier research work and discuss the latest breakthroughs, MAES 2022 also features keynotes, technical sessions, etc. For those who attend the MAES, you will soon appreciate the fact that MAES is more than just an outstanding technical conference, but also a friendly platform to interact, inspire and discover.

Publication

Submitted papers will be peer-reviewed by technical program committees based on the paper's topic, quality, etc. Accepted and presented papers will be published into **MAES Conference Proceedings**, which will be submitted and reviewed by **Ei Compendex and Scopus Index**.

Submission

Welcome to submit full paper or abstract via:
<http://confsys.iconf.org/submission/maes2022> or
maes2022@163.com

Important Dates

Submission Deadline
25 September, 2022
Notification Date
15 October, 2022
Registration Deadline
30 October, 2022

Topics of interest for submission include, but are not limited to:

1. Mechanical Engineering
2. Aerospace Systems and Technology
3. Aerospace & Electronics Systems
4. Electronics Applications
